## **GENERAL INFORMATION**

### **PURPOSE**

Mitchell College is an independent community college which fosters and encourages the Protestant Christian education of youth by offering two years of education beyond the high school level, and music instruction for qualified regular and special students. Mitchell serves persons of this area in the attainment of personal edification and cultural improvement as they prepare for a degree at a senior institution, or for the completion of a terminal course.

### **HISTORY**

Mitchell College, one of the oldest colleges in North Carolina, began operation as a woman's college in 1856. Concord Presbytery had authorized its establishment as early as 1853; and, with the exception of one period, it remained under the control of Concord Presbytery until January 1, 1959, when it became an independent community college.

The building program of the newly chartered college was delayed by a storm which destroyed the partly constructed building; and because of this the college did not begin operation until September, 1856, when the present building was completed. At the end of the War Between the States, Mr. R. F. Simonton purchased the property and thus began a period of private ownership for the college. The name was then changed from Concord Female Seminary to Simonton Female College. During the late 1870's considerable progress for the college took place under the leadership of Mrs. Eliza Mitchell Grant, president, and her sister, Miss Margaret Eliot Mitchell, as her assistant. They were the daughters of the famous Dr. Elisha Mitchell, scholar and scientist for whom Mount Mitchell is named. In 1917 the name of the college changed to Mitchell in honor of these women.

In 1896 the college, then known as Statesville Female College, was purchased by Dr. R. B. Shearer, a Presbyterian minister and president of Davidson College, who in 1900 returned the college by deed to the control of Concord Presbytery. In that year Dr. John A. Scott became president and again the college experienced considerable growth. Most notable was the addition in 1908 of an auditorium known as Shearer Music Hall. This addition to the physical structure of Mitchell was made possible through the efforts of Mr. W. F. Hall and other friends of the college. Also during the presidency of Dr. Scott the college became recognized as a teachers college and granted the A.B. and B.S. degrees. However, by the early 1920's it had become a standard junior college. For a long time the high school department known as the Academy was popular, but this department was discontinued in 1943.

By the early 1920's the college acquired the Caldwell house, which was converted into a home for the president. When, in 1942, the Carlton home was acquired, it was made the president's home and the Caldwell house became a residence for the dean of men and some of the men students.

Mitchell College became co-educational in 1932 during the administration of Mrs. W. B. Ramsay who headed the college for fourteen years

until 1943. During her administration the curriculum was expanded and many extracurricular activities were formed. A gymnasium was also built during this period.

Mrs. Ramsay resigned in 1943 and was followed by Reverend R. S. Arrowood who served as president for one year. He was succeeded by Miss Frances Stribling who served for three years as president. Following her resignation in 1947, Mr. John Montgomery became president.

The 1950's proved to be eventful for Mitchell. In 1955 Mitchell was admitted into membership of the Southern Association of Colleges and Secondary Schools. In 1957 Mitchell acquired the Wallace house and converted it into a men's dormitory. The future of Mitchell was altered when a community drive to raise an endowment of \$350,000 was successful, and on January 1, 1959, the college became an independent community college. The Concord Presbytery relinquished its control of the physical property to the Mitchell College Foundation which in turn leased the buildings to Mitchell College, Incorporated. The control of the college is now in the hands of a self-perpetuating, rotating board of trustees, who in addition to representing outstanding business leadership in the community also represent Christian leadership from the community churches.

In 1963, the college campus was further enhanced by the construction of a new Student Union building. This structure which reflects the style of the Main Building is the first building to be built on the Campus since the Gymnasium.

While the community of Mitchell College is considered to include all of Iredell County, the college is dedicated to the rendering of a high standard of scholarship and Christian leadership to all students from wherever they may come.

## **LOCATION AND CLIMATE**

Located in Statesville, a city of about 20,000 population, Mitchell College is easily accessible from all parts of North Carolina by both train and bus service. The campus is at the west end of Broad Street, one of the principal streets of the city, and conveniently near the churches, shopping district, post office, and public library. Statesville is 110 miles east of Asheville, 43 miles north of Charlotte, 50 miles west of Winston-Salem, and 27 miles northwest of Salisbury. Statesville is in the healthful Piedmont section at the foothills of the Blue Ridge Mountains and has a delightfully mild climate throughout the year. The altitude is 960 feet above sea level.

## **BUILDINGS**

The MAIN BUILDING, constructed in 1856, is a stuccoed brick structure of three stories, ornamented by a lofty portico with six massive columns. The first floor contains the science department and classrooms. On the second floor are the administrative offices, additional classrooms, day-student lounges, and the guest parlor. The women's dormitory rooms and lounge are on the third floor. Student lounges and dormitory rooms are comfortably furnished.

SHEARER HALL was added to the Main Building in 1908. The first floor contains music studios, faculty offices, and the auditorium which has a seating capacity of five hundred and is equipped with a pipe organ and a concert grand piano. The second floor contains faculty offices.

The new STUDENT UNION is the school social center and contains a modern cafeteria for use of faculty and students. This building is the newest addition to the enlarging campus and was designed to be one of the show-places of Statesville. Its architecture blends harmoniously with that of the main building and reflects the ante bellum decor of the campus. In addition to quiet recreational facilities, the Student Union contains meeting rooms and offices for the college yearbook, newspaper, and the office of the Dean of Women.

The LIBRARY provides and organizes the resources needed to meet the curricular demands and to bring intellectual stimulation to both faculty and students and aims to serve as the focal point of the cultural life on the campus. The book collection consists of over 12,000 volumes. In the reading room are the reference books as well as the current issues of 135 magazines and seven newspapers. Bound volumes of periodicals are available on request. The practice of open shelves gives the students direct access to the entire stack collection and to books on reserve. A large number of phonograph recordings are available for use in the listening center. Students are encouraged to use books in the reading room, which has a seating capacity of approximately seventy, and to borrow books for use outside the library. Orientation in the use of the library is given to incoming students who also receive personal assistance from the librarian in all their needs. The college facilities are supplemented by those of the Statesville Public Library, the Iredell County Library, and the exchange privileges with larger libraries.

The GYMNASIUM, located on the north campus, is a wooden structure with a regulation basketball floor. Many social affairs and intramural sports activities are held here.

#### **VETERANS AND CHILDREN OF DECEASED VETERANS**

A veteran who wishes to receive G. T. benefits while attending Mitchell College should obtain a **CERTIFICATE OF ELIGIBILITY** from the Veterans Administration and present it to the Registrar at registration. Children of deceased veterans should consult with their local Veterans Administration official prior to beginning college and obtain a Certificate of Eligibility to be presented to the Registrar at registration. Fourteen semester hours are considered the minimum load for a full-time student by the Veterans Administration.

#### **EVENING COLLEGE PROGRAM**

Mitchell College, through evening classes, provides educational services for people who are unable to attend regular classes or who, having attended college, desire to continue their education. Classes are regularly offered each semester whenever there is sufficient demand.

This scholarship, valued at \$500 for dormitory students, and \$200 for day students, is allocated over the two-year period.

The PURPLE HEART SCHOLARSHIP was established in 1959 by Chapter No. 285 of the Military Order of the Purple Heart of the United States of America, Inc. in memory of Pfc. Lee Roy Smith, S/Sgt. Hugh Smith Denney, and Sgt. John Troy Troutman, three Iredell County deceased veterans, killed by enemy action in the line of duty in both World Wars. This scholarship to be awarded to Iredell County residents, based on scholastic ability and need with priority given to direct descendants of Purple Heart veterans and other veterans.

The E. B. STIMSON MEMORIAL SCHOLARSHIP was established in loving memory of "Cap" Stimson who, for many years, served as Head of the Music Department at Mitchell College. It is endowed by the MacDowell Music Club and friends of the Stimson family and is awarded each year to a music student. A candidate for a music scholarship is required to audition before a selected panel of judges.

The VALEDICTORIAN SCHOLARSHIPS, awarded to valedictorians of accredited high schools in the state of North Carolina, are valued at \$300 each to be allocated over the two-year period. Upon the satisfactory completion of a semester's work with a B average, the student automatically receives the scholarship for the following semester.

The STATESVILLE RECORD AND LANDMARK SCHOLARSHIP was established in 1962 by the employees of the Statesville Record and Landmark. This scholarship is established to give assistance to students who are employees or children of said employees. The amount of this scholarship is to be determined by the earnings of preceding year from the principal sum. When the scholarship is not used, interest is to be added to the principal. A scholarship must be given at least every five years. If no eligible child applies for said scholarship, then the scholarship may be awarded to a resident of Iredell County.

The Mitchell College Annual is published by the student body. Its purpose is to keep alive the memories of Mitchell and to recall the various activities of the year. The editor and business manager are elected each spring.

### CAMPUS COMMENTS

The college newspaper is financed by the Student Council without the aid of advertisements. The number and regularity of issues is determined by the editor. The editor and business manager are elected each spring.

## RELIGIOUS EMPHASIS WEEK

Each year the administration invites an outstanding Christian minister to spend a week on campus in order that students and faculty members may be given an opportunity to meditate on the implications of the Christian faith for life. Chapel is held each morning during the week and attendance is required of all students. Vesper services and discussion groups are scheduled to give further opportunity for exploring the relevance of the Christian faith.

## FINE ARTS SERIES

The annual Fine Arts Series is designed to provide an opportunity for cultural enrichment. Outstanding lecturers and artists from various

branches of the arts are brought in for evening appearances. In many instances, the guest artist remains on campus for follow-up discussion groups the next day. Attendance at Fine Arts Programs is required of all full time students.

### **CHAPEL**

"Mitchell College is an independent community college which fosters and encourages the Protestant Christian education of youth." In keeping with this statement of purpose, regular chapel services are held each Tuesday for students and faculty members. Neighboring pastors and college teachers of religion, and occasional visiting speakers, are invited to speak at these services. All full-time students are required to attend.

### **STUDENT ASSEMBLY**

A Student Assembly Program is held each Thursday morning. The Student Government and their faculty advisor are in charge of these programs. They are designed to be educational and informative in nature. Many important school announcements are made at this time. In addition to regular programs some of the time is allotted to class and student organization meetings. All full-time students are required to attend.

## ELIGIBILITY FOR STUDENT ACTIVITIES

Only full-time students are eligible for holding office in a student organization. Additional requirements for office-holding are an over-all 2.3 quality-point average (or its equivalent in the case of transfer and new students) when elected and the maintaining of a 2.0 quality-point average each semester during the term of office. All students are eligible for participation in such activities as dramatics, intramural activities, choir or Mitchellaires. While student activities are recognized as an important part of college life and the student's education, it is important that

these be kept in their proper perspective. The Faculty reserves the right to curtail participation of any one individual student any time it becomes evident that such participation is detrimental to academic achievement. Students are encouraged to participate in student activities only to the extent that they enhance and enrich the student's total educational development.

### **RESIDENCE HALL LIVING**

In the College Residence Halls students have the opportunity to associate with persons of diverse backgrounds, interests, ideas, experiences, and objectives. The group-living experience thus affords the student the chance to appreciate other people for their individual abilities, personality, and qualities. In group-living, the individual resident learns to work, cooperate, and live harmoniously and effectively with others.

Student programs, social hours, house meetings, house government, and intramural athletics in the halls are part of residence living and provide the opportunity for development of leadership, talent, initiative, persuasive skills and organizational abilities.

Students in the residence halls are expected to regulate their lives according to the accepted standards of good taste, to respect the property of the college and of others, and to assume individual responsibility as an important and necessary adjunct of group living.

Certain regulations are necessary to protect the rights of individuals. The specific rules and regulations for the residence halls have been developed by the administration and the residents themselves, particularly the house councils. Each resident is responsible for knowing and observing these regulations.

### **RESIDENCE HALLS**

Mitchell College maintains residence halls for both men and women. All freshmen are required to live on campus, if space permits. Men students may be assigned to approved off-campus housing. Women are not permitted to live off-campus. Each student living in a Mitchell College residence hall is required to carry an academic load of not less than 12 credit hours per semester.

The College furnishes each dormitory room with a dresser or chest-of-drawers, study desks, single beds, mattress covers, and chairs. Students are requested to furnish their own blankets, bedspreads, study lamps, waste baskets, rugs, pillows and curtains.

The College contracts with a commercial linen rental service to furnish each student with weekly linen service.

### **RESERVATIONS**

Students wishing to reserve a space in Mitchell College residence halls should do so at the same time they apply to Mitchell College for admission. Reservation forms are available on request and a \$60.00 deposit is required upon completion and return of this form. Reservation deposits are refundable if the applicant is rejected for entrance or if the reservation is cancelled before July 1 for the first semester, or before January 1 for the second semester.

## DAMAGES

Damages above and beyond normal deterioration will be assessed against the one responsible for the damage.

If it is not possible to identify the one responsible, such damage will be assessed equally against the residents of the room or section where the damage occurred, or in which the damaged item was originally located.

## HEALTH

Mitchell College attempts to maintain a well-balanced health program through a physical education program with activities designed to provide

wholesome physical conditioning, individual and team activity skill attainment for all full-time student personnel. An active co-educational intramural program is provided. In addition, the College provides a group hospitalization and accident insurance plan and is affiliated with two hospitals located near the college campus.

## **AUTOMOBILES**

Freshman dormitory or off-campus housing students are not permitted to have cars either on campus or in Statesville. Sophomore dormitory or off-campus housing students may keep automobiles while in residence provided this does not prove detrimental to their academic achievement. As a general rule, there is a correlation between possession of an automobile in college and grade difficulties. All students who operate cars on campus while in attendance at Mitchell College are required to register their cars each semester.

## ACADEMIC AND ADMISSION REQUIREMENTS

### I. Regular Students

#### 1. Students entering college for the first time:

- a. Graduation from an accredited high school, or the equivalent as evidenced by the issuance of a certificate or diploma of high school equivalency by the North Carolina State Department of Education or a similar agency of another state, is required.
- b. For admission, prospective students must show a "C" average of all attempted work in the four years of high school, together with the recommendation of the high school principal, or guidance counselor.
- c. Those students who do not have a "C" average in the last four years of high school or who rank in the lower quarter of their graduating class must be interviewed by the Admissions Committee before final acceptance. If approved by the Admissions Committee for admission, they will be admitted under the conditions as specified by the Committee.
- d. Those students who have completed their junior year in high school may apply for conditional admission to Mitchell College. They will be notified of their acceptance when all application forms and a transcript of their first three years of high school work is received and acted upon by the Admissions Committee. Final acceptance will be granted when the student has completed his high school requirements and a complete transcript of his high school record is on file in the Registrar's Office.

- e. To be admitted in any semester, all admissions requirements must have been satisfied prior to the last day for registration as set forth in the calendar of this catalog. Students who have not completed these requirements will be designated as special students until these requirements have been met.

## 2. Transfer Students

- a. An applicant who has previously attended or enrolled in any other college or university is considered a transfer student. This student must furnish evidence of an honorable dismissal by the last college or university that he attended. This is usually shown on the college transcript.
- b. Transfer students must meet the same requirements for admission that a comparable regular student would meet for readmission.
- c. A student whose status from his last college or university was probationary will be admitted only on a probationary status under the conditions set forth by the Admissions Committee.
- d. A student who has been suspended from his previous college is not normally eligible for admission to Mitchell College. Special permission may be granted at the discretion of the Admissions Committee. Students are warned that credits earned at Mitchell College while under suspension from another institution may not be acceptable as transfer credits to their previous institutions without previous permission from that institution.

## 3. Part-time Students:

- a. Regular students who desire to take less than 12 semester hours for credit in one semester are classified as part-time students.
- b. Part-time students must meet the same admission requirements as full-time students.
- c. A part-time student failing to maintain a 2.0 quality point average will be placed on probation.

## 4. Foreign Students:

- a. A foreign student is classified as one who has not taken out first papers for United States Citizenship.
- b. Such students must meet the same admission requirements as full-time students for admission and must be able to read and write the English language fluently as evidenced by a letter from the Educational Advisor in the United States Embassy of the student's country or by an interview with the Admissions Committee. (English-speaking countries are exempted from the above rule.)

## 5. Second-semester Freshmen and Sophomores:

- a. A full-time Freshman must pass 9 hours with 18 quality points in his first semester and 12 hours with 24 quality points in his second semester. Failure to meet this requirement will result

in academic probation. In addition, a total of 21 hours and 42 quality points is necessary before a student can be readmitted for the third semester.

- b. A full-time student must pass 12 hours with 24 quality points in each semester after the second semester or be placed on probation. If a student takes less than 12 hours in a semester after the second semester, he must make a 2.0 average to be eligible for readmission.
6. A student who is on academic probation for a semester and who fails to meet the requirements for that semester will be placed on academic suspension. A student so suspended is eligible for readmission only upon appeal and at the discretion of the Admissions Committee.

## II. Special Students

A student who has not graduated from a secondary school, who is not a candidate for a degree diploma, or a certificate, and who gives evidence of aptitude for college work may be admitted as a special student, on a non-credit basis. A student who has completed two or more years of college work and desires to take additional training, may be admitted to Mitchell College as a special student.

### **ACADEMIC PROBATION**

Academic Probation refers to conditions that a student must meet in order to remain enrolled in Mitchell College.

“Admitted on probation” denotes that a student must pass a certain number of hours with a certain number of grade-points for the first semester enrolled in order to remain a student or enroll for the next semester. A student that is entered on probation is so notified by letter of the terms of the probation and when he registers he automatically accepts the terms of the probation.

Students on academic probation will not be permitted to register for more than 15 hours except on the recommendation of his faculty advisor and the approval of the Dean of Faculty.

### **ACADEMIC SUSPENSION**

Academic suspension is the action taken by the college to suspend or drop a student from the college because of poor scholarship.

A probationary student failing to fulfill the conditions of his probation during the semester that he is on probation is subject to academic suspension. A student so suspended can be readmitted on probation at the discretion of the Admissions Committee. A student suspended for the second time for poor scholarship will be ineligible for readmission.

The privilege of appeal is provided the suspended student. The student is required to write a letter to the Admissions Committee explaining his appeal to be readmitted and will appear before the Committee in person should the Committee so desire.

**COLLEGE PREPARATORY WORK**

Although graduation from an accredited high school, or its equivalent, with an acceptable average will academically qualify students for admission, those planning to enter Pre-Professional Programs should make adequate preparation by taking standard college preparatory courses. ## REQUIREMENTS FOR GRADUATION

Basically Mitchell College offers three programs to the students: the Pre-Professional, the General College, and the Specialized Study Program. These programs are designed to meet the needs of individual students in accordance with their future plans. Successful completion of a Pre-Professional Program leads to the awarding of an Associate of Arts or Associate of Science Degree. Successful completion of a General College Program leads to the awarding of a General College Diploma, and successful completion of a Specialized Study Program leads to the awarding of a certificate in the area of specialization.

### GENERAL REQUIREMENTS

General requirements for graduation from Mitchell College must be met by all students, without regard to degree, diploma or certificate to be granted. Final responsibility for meeting these requirements rests with the student.

1. At least fifteen semester hours of credit must be earned at Mitchell College.
2. The last full semester of work prior to graduation must be in residence at Mitchell College.
3. Students must earn a minimum of quality points equal to or exceeding twice the number of semester hours presented for graduation. A student must also have a 2.0 average on all work from Mitchell College presented for graduation.
4. Physical education activity is required of all students each semester in attendance except:
  - a. Married students exempted by the Dean.
  - b. Physically handicapped students with doctor's certificate.
5. Students must make formal application for graduation on the proper form furnished by the Registrar. (See calendar)
6. Students must be recommended by the faculty for graduation.

### SPECIAL REQUIREMENTS FOR GRADUATION

Students who complete a total of 60 semester hours of academic work (exclusive of P.E.) including the General Education Curriculum and 12 semester hours of a foreign language will be eligible to receive the Associate of Arts Degree.

#### ASSOCIATE OF SCIENCE DEGREE:

Students who complete 60 semester hours of academic work (exclusive of P.E.) including the General Education Curriculum will be eligible for the Associate of Science Degree.

#### GENERAL COLLEGE DIPLOMA:

Students who complete 60 semester hours of academic work (exclusive of P.E.) and complete the required curriculum as listed for the General College Program but who do not complete the General Education Curriculum will be eligible for the General College Diploma.

#### CERTIFICATE:

Students who complete 30 semester hours of academic work (exclusive of P.E.) in a required curriculum will be eligible for a certificate in that field.

## ATTENDANCE POLICY

No unexcused absences are allowed without penalty. Students will be allowed to make up work if an absence is excused. Absences for the following reasons may be excused:

1. Personal illness.
  - a. Certification of treatment by a physician.
  - b. Hospital confinement.
  - c. Certification by person responsible for place of residence or parent.
2. Death in the immediate family.
3. Official absence from the campus.
4. An emergency.

All full-time students are required to attend Chapel, Assembly, and Fine Arts Programs. A maximum of three absences in the combined required programs is permitted.

RESIDENCE CREDIT

Mitchell College offers no correspondence or extension work. All credit given is residence credit which signifies that the student has been in attendance in a class a minimum of 75% of the time.

DROPPING AND ADDING CLASSES

Classes may be dropped and added within the time limitations as set forth in the college calendar. Students must obtain a form from the Office of the Dean of Faculty and secure the permission of the instructor, the Dean, the Registrar, and the Bursar before the class may be dropped or added. A charge of \$3.00 will be made for dropping or adding classes, unless the change is considered to be administrative. Withdrawal from a class without permission will automatically mean a grade of F. When permission is obtained, a grade of WP or WF will be recorded depending on the status of the student in class at the time of withdrawal.

WITHDRAWALS FROM COLLEGE

Students desiring to withdraw from college must obtain the necessary form from the the Office of the Dean of Faculty and obtain the signature of the Dean of Faculty, the Director of Student Affairs, the Librarian, the Dormitory Supervisor (if applicable), the Registrar and the Bursar. This certification is required for an honorable dismissal (permission to enter another college) and for refunds. All refunds are based on the date of official withdrawal. Withdrawal from college without permission will mean a grade of F in all classes. When permission is obtained to withdraw from college, a grade of WP or WF will be recorded depending on the status of the student in class at the time of withdrawal.

GRADING SYSTEM

Grades are mailed to the parent of the student and to the student at midterm and at the end of the semester. These grades are included on the student's permanent record.

The grading system is as follows:

A	95-100	Excellent	4 quality points per semester hours
B	86- 94	Good	3 quality points per semester hours
C	76- 85	Fair	2 quality points per semester hours
D	70- 75	Passing	1 quality point per semester hour
F	Below 70	Failure	
WP	Withdrawn	Passing	
WF	Withdrawn	Failing	
WNC	Withdrawn	No Credit	
I	Incomplete		
NC	No credit has been allowed for the course		

First Semester grades recorded as I must be removed prior to March 1. Second Semester grades recorded as I must be removed prior to October 1. (Registrar must be notified as to cause for Incomplete.) All work not complete by these dates will be recorded as an F.

Grades of A, B, and C are satisfactory. A grade of F is unsatisfactory. A grade of D is satisfactory for graduation purposes; however, most colleges and universities will not accept a D as transfer credit.

The student's grade or quality-point average is the number of semester hours that a student attempts divided into the number of quality points earned. An overall grade-point average of at least 2.0 must be acquired to meet graduation requirements. An example of computing a grade-point average for a semester's work is as follows:

Subject	Grade	Hours Attempted	Hours Passed	Points Quality
English 101	B	3	3	9
Biology 101	B	4	4	12
Algebra 101	F	3	0	0
History 101	C	3	3	6
Psychology 101	D	3	3	3
Physical Education	A	1	1	4
Total		17	14	34

Grade-point average is  $34 \div 17 = 2.00$

#### REPEATING A COURSE

A student who repeats a course is awarded the highest grade for that course; however, both grades are recorded on the student's permanent record. Although credit is awarded only once for a repeated course, the semester hours attempted are included in the student's overall average each time that the student attempts a course. A course may be repeated only if the final grade is D or F. Permission must be obtained from the Dean of Faculty to repeat a course.

#### TRANSCRIPTS

A transcript is a copy of the permanent record of the work which a student does while at Mitchell College. Transcripts are sent only upon written request by the student involved. Request forms are available in the Registrar's Office for sending transcripts. The Registrar's office furnishes without charge the first transcript of a student's academic record. For each additional transcript there is a charge of one dollar.

For guidance and follow-up purposes, a copy of the student's final semester report is usually sent to his high school upon request by the school concerned.

#### HONORS

The Dean's List is posted at the end of each semester. All regular students who have made an academic average of 3.3 or higher and are carrying 12 or more semester hours will be placed on the Dean's List.

All regular students carrying 12 hours or more who maintain a 3.3 average or higher for any one year will be eligible for Class Honors at graduation.

All regular students carrying 12 hours or more each semester and maintaining a 3.3 average or higher for all work attempted while at Mitchell College will be eligible for College Honors at graduation.

## STUDENT LOAD

The minimum load for a full-time student is 12 semester hours per semester. Veterans, in order to qualify for a full-time GI status, must register for 14 or more semester hours.

The normal load for a Freshman student is 16 or 17 semester hours. With special approval and written permission from the faculty advisor and the Dean of the Faculty, a student may register for more than 18 semester hours.

A student who does not earn twice as many quality points as the number of hours for which he is registered in any semester may not register for more than 16 semester hours without permission in the following semester.

## FINAL EXAMINATIONS AND TESTS

The instructor may give tests and quizzes, oral or written, at his discretion. Regularly scheduled announced examinations will be given at the end of each semester or session. Evidence of cheating on a final examination will result in an F in the course and immediate dismissal of the student from Mitchell College. Re-examinations may be given at the discretion of the instructor when the final examination shall have been the cause for failure in the course. Re-examinations must be taken within thirty days of the next semester following the final examination.

## STUDENT CLASSIFICATIONS

### SOPHOMORES AND FRESHMEN

A student is considered a sophomore when he has a minimum of 24 semester hours and a minimum of 48 quality points. All other students are freshmen.

### FULL-TIME AND PART-TIME STUDENTS

A student is considered a full-time student when he is enrolled for twelve or more semester hours of credit. When he is enrolled for less than twelve semester hours of credit he is classified as a part-time student.

### SPECIAL

A student who enrolls in a course for "no credit" is considered a special student. Any student who does not meet regular admission requirements is considered a special student and "no credit" is given for the course.

### AUDITOR

A student may be admitted to any course as an auditor with the consent of the Dean. No credit or grade will be earned. Regular fees will be charged.

## STUDENT CONDUCT

College students are considered to have reached the age of responsibility and discretion. Their conduct, both in and out of college, is expected to be dignified and honorable. Students must realize from the first that the responsibility for their success in college work rests largely upon themselves. Policies and regulations of the college are formulated by the Board of Trustees, the Faculty of the College, and the Student Government.

## RESPONSIBILITY FOR REGULATIONS

Each student by the act of registering, obligates himself to obey all rules and regulations formulated by the college. Students are held responsible for the observance of all regulations and policies contained in this catalog, and are encouraged to thoroughly familiarize themselves with its entire contents.

## HONOR CODE

The student body at Mitchell College maintains an honor system which, since its beginning, has proved its worth and is now part of the tradition of the Mitchell College students. The honor system is administered by a committee of three elected students and a faculty advisor with the authority to recommend to the administration punishment to offenders up to and including expulsion from school. A violation of the code consists of lying, cheating, or stealing. No student is properly registered at Mitchell until he has signed a full statement endorsing the honor code. This means that the honor code is a vital part of the life of Mitchell College students.

## POLICY CHANGES

Any statement in this catalog is subject to change by the administrative council of the college or the Faculty at any time that such a need becomes evident. Any question concerning the interpretation of any regulation in this catalog will be referred to the Dean or the President, and their decision will be final.

## STUDENT PERSONNEL SERVICES

### GUIDANCE AND COUNSELING

Every effort is made to provide adequate guidance and counseling services to students.

Each student is assigned a faculty member who serves that student as a counselor or advisor during his enrollment in the college. The faculty advisor assists the student with selecting a particular program of studies which will help him attain maximum growth according to his particular academic needs. The college provides a Director of Students and a Dean of Women who work with individual students concerned with problems of a personal, vocational, or academic nature.

#### TESTING

All entering freshmen and transfer students are required to take the battery of placement tests announced by the Dean during the orientation program at the beginning of the school year. Students are encouraged to take these tests, where possible, during the summer preceding their enrollment. Students who take the placement tests at this time will be permitted to register early in the fall.

#### ORIENTATION

Two days are set aside for the orientation program and each entering freshman or transfer student must attend the orientation session scheduled. Many factors confronting entering and transfer students are explained by the administrative staff and faculty of the college in order to make the adjustment to college as smooth as possible.

## PROGRAMS OF STUDY

### GENERAL EDUCATION PROGRAM

Due to the highly interrelated and specialized industrial society in which we now live there has been a vast increase in organized knowledge and occupational opportunities available to entering college students. They are confronted with numerous and varied programs of study and course alternatives. In an effort to help students obtain the basic knowledge and background of education necessary for everyone and at the same time help them choose a program of professional preparation which fits their needs and individual interests, Mitchell College is developing a program of General Education.

Some of the objectives of this program are:

Professional schools, in addition to General Education, vary the nature and number of pre-professional requirements which should be taken during the freshman and sophomore years. Students who have determined which profession or occupation they plan to enter should study the list of courses prescribed under the proper pre-professional programs.

Because of changing professional requirements at various senior institutions, students are required to consult with their academic advisor before registering. It is the student's responsibility to become familiar with the requirements of the senior institution to which he may transfer.

Curriculum guides are outlined to help the student in planning his program. Two years of a foreign language is strongly recommended for all students and six semester hours of Religion for those students planning to transfer to a church-related college.

Pre-Professional Programs are offered in the following areas:

- |                         |                                |

GENERAL COLLEGE PROGRAM

The two-year General College Program has been developed for those high school graduates who wish to complete a college program which will prepare them to enter business or professional employment at a level of competence requiring more than a high school education but less than a four-year university degree.

This program is also designed for those students who have definite vocational interests but who are undecided about the continuance of their education beyond the second year.

These courses are all college-level (credit) courses. Though the programs are designed to prepare for entrance to employment, courses sched-

uled could be transferred to a senior college or university, if the student should decide to continue toward a four-year degree.

Students who complete a General College curriculum will be eligible for the General College Diploma. Programs are offered in the fields of:

- Two-year Liberal Arts
- Business Administration and Office Management
- Accounting
- Secretarial Science
- Pre-music Education
- Church and Institutional Music

TWO-YEAR LIBERAL ARTS

This program is designed for those students who want a two-year college education but who are undecided about their specific vocational goals. The curriculum is designed to allow individual students virtually unlimited selection of courses to meet their needs and particular interest.
